APPENDIX

A. DEFINITIONS

1. Currently experiencing homelessness -

1. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
 - (A) An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
 - (B) An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or
 - (C) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution;
2. An individual or family who will imminently lose their primary nighttime residence, provided that:
 - (A) The primary nighttime residence will be lost within 14 days of the date of application for homeless assistance;
 - (B) No subsequent residence has been identified; and
 - (C) The individual or family lacks the resources or support networks, e.g., family, friends, faith-based or other social networks needed to obtain other permanent housing;
3. Unaccompanied youth under 25 years of age, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who:
 - (A) Are defined as homeless under section 387 of the Runaway and Homeless Youth Act (42 U.S.C. 5732a), section 637 of the Head Start Act (42 U.S.C. 9832), section 41403 of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2), section 330(h) of the Public Health Service Act (42 U.S.C. 254b(h)), section 3 of the Food and Nutrition Act of 2008 (7 U.S.C. 2012), section 17(b) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)), or section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a);
 - (B) Have not had a lease, ownership interest, or occupancy agreement in permanent housing at any time during the 60 days immediately preceding the date of application for homeless assistance;
 - (C) Have experienced persistent instability as measured by two moves or more

during the 60-day period immediately preceding the date of applying for homeless assistance; and

- (D) Can be expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse (including neglect), the presence of a child or youth with a disability, or two or more barriers to employment, which include the lack of a high school degree or General Education Development (GED), illiteracy, low English proficiency, a history of incarceration or detention for criminal activity, and a history of unstable employment; or
4. Any individual or family who:
- (A) Is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence;
 - (B) Has no other residence; and
 - (C) Lacks the resources or support networks, e.g., family, friends, faith-based or other social networks, to obtain other permanent housing.

2. At risk of homelessness –

1. An individual or family who meets one of the following conditions:
- (A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
 - (B) Is living in the home of another because of economic hardship;
 - (C) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance;
 - (D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by federal, State, or local government programs for low-income individuals;
 - (E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons or lives in a larger housing unit in which there reside more than 1.5 people per room, as defined by the U.S. Census Bureau;
 - (F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or
 - (G) Otherwise lives in housing that has characteristics associated with

instability and an increased risk of homelessness, as identified in the recipient's approved consolidated plan (DMAHS finds grounds to categorize individuals living in physically unsafe homes as qualifying as at-risk of homelessness because the Department of Community Affairs (DCA) consolidated plan for New Jersey includes “individuals living in physically unsafe home”); or

2. A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 387(3) of the Runaway and Homeless Youth Act (42 U.S.C. 5732a(3)), section 637(11) of the Head Start Act (42 U.S.C. 9832(11)), section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2(6)), section 330(h)(5)(A) of the Public Health Service Act (42 U.S.C. 254b(h)(5)(A)), section 3(m) of the Food and Nutrition Act of 2008 (7 U.S.C. 2012(m)), or section 17(b)(15) of the Child Nutrition Act of 1966 (42 U.S.C. 1786(b)(15)); or
3. A child or youth who does not qualify as “homeless” under this section, but qualifies as “homeless” under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), and the parent(s) or guardian(s) of that child or youth if living with her or him.

3. Individuals at risk of institutionalization who require a new housing arrangement to remain in the community

Qualifying institutions include: hospitals, mental health residential treatment facilities, substance use disorder treatment facilities, and long-term care facilities

4. Transitioning from an institution to the community

This includes beneficiaries who could potentially transition from an institution to the community but are unable due to insufficient placement options.

Qualifying institutions include: hospitals, mental health residential treatment facilities, substance use disorder treatment facilities, and long-term care facilities.

5. Individuals released from correctional facilities

14. Pre-tenancy Services

Services that support beneficiaries in obtaining housing, including but not limited to:

- Developing an individualized housing support plan. The plan should establish short and long-term measurable goals, describing how goals will be achieved and how barriers will be addressed. The plan should also include prevention and early intervention services if housing is jeopardized. An example of a housing support plan may include:
 - i. For individuals exiting institutions (e.g., nursing facilities), thorough and proactive discharge planning and other transitional tasks.
- Assisting with navigating the complexities of the housing application process through the progression of prospective tenant to tenant as well as assisting with the housing search.
 - i. Searching for housing, presenting options to the beneficiary, and contacting prospective housing options for availability and information.
 - ii. Facilitating enrollment in the local Continuum of Care's Coordinated Entry System or in the school's McKinney-Vento program.
 - iii. Assisting the beneficiary in undergoing tenant screening.
 - iv. Completing rental applications.
 - v. Assisting the beneficiary to communicate with the landlord or property manager, including accompanying the head of household to appointments, lease negotiations, and signings.
 - vi. Review of the living environment to ensure it is safe and ready for move-in.
 - vii. Assisting in arranging for and supporting the details of the move.
- Identifying, coordinating, and securing resources to assist with housing costs and other expenses.
 - i. Assisting in obtaining required documentation (e.g., Social Security card, birth certificate, income and benefits statements, prior rental history) for housing assistance programs and applications or any social service program, as needed to transition to tenancy.
 - ii. Helping complete applications and navigating the process to obtain financial supports to afford housing, including linkages to rental

- assistance, security deposits, application fees, moving costs, non-medical transportation to tour units and attend tenant interviews, and food and clothing needed at transition.
- iii. Providing financial education including credit repair and credit counseling, 1:1 budgeting assistance, assistance with setting up a bank account, and bill paying.
 - iv. Identifying and connecting the beneficiary to resources that promote long-term housing stability, including mental health resources, affordable childcare, employment, transportation, and school enrollment.
 - v. Identifying and making referrals to legal services to address complex tenancy issues preventing an individual from entering a housing arrangement.

15. Tenancy Sustaining Services

Services that support beneficiaries achieve their goal of maintaining safe and stable tenancy, including but not limited to:

- Developing or revising an individualized housing support plan. The plan should establish short and long-term measurable goals, describing how goals will be achieved and how barriers will be addressed.
- Assisting with the housing recertification processes, including lease renewals and housing subsidy renewals.
- Educating and training the beneficiary on the role, rights and responsibilities of the tenant and landlord.
- Supporting the beneficiary in development of independent living and tenancy skills, including: housekeeping; cleanliness; time management; financial literacy skills; budgeting; fraud prevention; establishing a bank account; connections to community services including grocery stores, transportation, schools, and jobs; as well as connecting the individual to social services based on additional needs as identified in the housing support plan. Connections to social services can include programs and services for employment, education, health, food (e.g., SNAP), legal services, eviction prevention, or other social services
- Identifying and helping secure benefits or supports to help pay for rent and utilities, including assistance filling out applications and gathering appropriate documentation in order to obtain sources of income necessary for community living (e.g., Social Security, HUD Housing Choice Vouchers, etc.).
- Providing assistance in addressing circumstances or behaviors that may jeopardize housing such as late payment, lease violation, maintenance issues, disputes with landlords or neighbors, or other identified issues. This should include both direct interventions to address risks and connection of the beneficiary to relevant community resources that may offer assistance with those risks.

16. Move-in Supports:

Payment for non-recurring, one-time transitional expenses provided to a beneficiary during the transition period to their own home, including:

- Payment for the set-up of the new housing unit, to address needs identified in the person-centered care plan.
 - i. Services required for a beneficiary's health and safety, such as pest eradication and one-time cleaning prior to move-in.
 - ii. Purchase of household furnishings needed to establish community-based tenancy including furniture, food preparation items, pantry stocking, or bed/bath linens. If necessary, assistance may also be provided to help set up these items.
- Payment for items to support the details of the move, as appropriate, including:
 - i. Costs for filing applications and payment of application fees necessary to obtain a lease on a home.
 - ii. Payment for move-in costs including movers to ensure transportation of self and possessions to new housing arrangement.
 - iii. Payment of security deposits.
 - iv. Payment of set-up fees or deposits for utility or service access, including telephone, electricity, heating and water.

17. Residential Modifications and Remediation Services

- Physical modifications, adaptations, or remediation services to a beneficiary's private, primary residence required by their plan of care which are necessary to ensure the health, welfare and safety of the member, or which enable the member to function with greater independence in the home or community.
- Modifications can include: the installation of ramps and grab bars, widening of doorways, modifications of bathrooms, the installation of accessibility ramps, the installation of wheelchair-level counters with cutouts for the sink, special mirrors and lighting accommodations for individuals with epilepsy, the installation of specialized electrical or plumbing systems that are necessary to accommodate the medical equipment and supplies which are needed for the health, safety and welfare of the individual.
- Remediation services can include: repairing or improving ventilation systems, and mold/pest remediation.
- Heating and cooling services can include: medically necessary air conditioners, heaters, humidifiers, air filtration devices and other asthma remediation, and refrigeration units as needed for medical treatment.
